May 15, 2016

**FREE AETNA DENTAL FOR FLORIDA RESIDENTS**

**Florida Rx Card to Offer Dental Plan to Florida Residents to Promote Rx Awareness Week**

Tallahassee, FL - All Floridians will have the opportunity to download a free Aetna Dental Access card this week. This special offer was launched to help celebrate Rx Awareness Week. The Florida Rx Card is a free statewide prescription assistance program that was launched in 2009.

“Our goal this week is to inform the residents that there is a program that can help them with their medication costs. Many families are struggling with the rise of health care costs and we are pleased to offer these programs to help them,” said Brandon Knox, Program Director for Florida Rx Card.

Aetna Dental Access provides savings on dental services at over 169,000 dental practice locations nationwide. Florida Rx Card can offer significant savings on brand and generic medications and is accepted at most pharmacies across Florida. If you are unable to print a free prescription card, simply visit CVS/pharmacy and ask them to process your prescription through the program. All Florida residents are eligible to access this program.

Simply visit [www.FloridaRxCard.com](http://www.FloridaRxCard.com) to get your free Aetna Dental and prescription card. All cards are pre-activated and can be used immediately. The Aetna Dental offer is good May16-22 ONLY!
